Shadow Lake® Pure Castile Soap: Exhilaration Redefined

Shadow Lake® Pure Castile Soap is a line of liquid bath & body soaps made with natural ingredients including real extracts of vanilla, almond, mint, eucalyptus, and ginger. Our soaps are thicker, richer and more aromatic than the leading castile soap—and they're a better value!

Best of all, because they're natural, they're right at home in the kitchen, the bath, or at a pristine stream just a few feet from your favorite campsite!

Vanilla Almond

INGREDIENTS: Water, Potassium Cocoate (derived from coconut), Potassium tallate (derived from pine), Glycerin, Vanilla oil, Almond Oil, Olive Oil*, Aloe Vera*. (*Certified Organic).

Peppermint Leaf
